Experience

UVU Practicum Francis Davis Millet
August 2026 - December 2026

Used Word Press to help engineer the website showcasing Francis Davis Millet's work.

Utah Valley Pediatrics / Medical Coder
September 2020 - May 2021, Provo, UT

Reviewed CPT, ICD-10, and HCPCS codes for accuracy and compliance with medical documentation.
Verified coding against provider documentation and identified discrepancies requiring correction.
Collaborated with providers to clarify documentation and ensure accurate coding.
Educated providers on coding and documentation requirements to support accurate claims.

Premier Family Medical / Medical Coder/Biller
November 2017 - September 2020, Lindon, UT

Analyze CPT, ICD-10, and HCPCS codes for accuracy before billing them out to the insurance company. Evaluate denials and submitting corrections for payment. Contact insurance companies when needed to follow up on claims processing. Provide education to the providers to ensure accurate documentation.

Education

Utah Valley University / Bachelor of Science
August 2025 - Expected graduation May 2027

Snow College / Associate of Science
August 2010 - December 2013
